**PROVIEW INTERNATIONAL HOLDINGS, LTD.'S
MOTION TO STAY PENDING RESOLUTION OF THE CASES
AGAINST LCD MODULE MANUFACTURERS**

Defendant Proview International Holdings, Ltd. ("Proview Holdings") respectfully moves this Court to enter an Order staying the above-captioned action against Proview Holdings pending the final resolution of Plaintiff Guardian Industries Corporation's ("Guardian") claims against the liquid crystal display ("LCD") product manufacturers in this action.

Guardian has brought suit before against other defendants in a separate case (hereinafter referred to as "Guardian I"). However, the facts in this case are significantly different than the facts in Guardian I. First, in this case, the defendants include both the LCD manufactures, as well as a significant number of customers. In Guardian I, Guardian focused its claims primarily against the LCD manufacturers. Second, in this case, there are substantially more customer defendants than were present in Guardian I. Allowing discovery to proceed with respect to these customer defendants, most of whom have little if any additional knowledge about the accused products, would needlessly complicate discovery. Third, and perhaps most importantly, none of the defendants in Guardian I moved to stay the case prior to the commencement of discovery.

The LCD manufacturers are the real parties in interest in this case. The LCD manufacturers, not a company outside the distribution chain for these products like Proview Holdings, are the parties with the information and documentation to defend against Guardian's claim. Indeed, Proview Holdings does not manufacture, design, or sell LCDs or LCD related products. In fact, Proview Holdings is merely a holding company and is not involved in any sales transactions. Thus, Proview Holdings does not possess any information regarding the LCD products accused of infringing the asserted patents in this case.

In an attempt to simplify this case, Proview Holdings now moves to stay the action, thereby allowing the LCD manufacturers to logically take the lead. Further, staying this case against Proview Holdings pending resolution of Guardian's claims against the LCD manufacturers would further the interests of justice and litigation efficiency and economy by significantly streamlining and simplifying the issues, discovery, and trial in this complex, multi-party case.

Proview Holdings submits the Declaration of Elina Hui (Exhibit A hereto) in support of this Motion. In addition, Proview Holdings joins in and incorporates by reference the points and authorities set forth in the briefs in support of the motions to stay filed by Dell, Inc. on June 3, 2005, and Gateway, Inc. on June 8, 2005, as grounds for this Motion. A proposed Order granting Proview Holdings' motion is attached hereto.

Rule 7.1.1 Certification. Counsel for Proview Holdings have consulted with counsel for Plaintiff Guardian Industries Corporation pursuant to Delaware Local Rule 7.1.1 and have been advised that Plaintiff will not consent to the relief sought by this Motion.
